Lyrics: J.D.H. - Public Domain

1. Jac - ob would lie down all a - lone,
2. In dream he saw a lad - der raised,
3. Jac - ob a - woke with faith - ful eyes,

No pil - low for him, save a stone;
As he was shown an - gel - ic ways;
At "heav - en's gate" to his sur - prise;

When all the world would hate and mock,
Guide us as pil - grims, this our plea,
Let all God's child - ren keep their vows,

Help us rest our faith on the Rock.
Keep us and bring us home to Thee.
For - ev - er dwell - ing in Thy house.
